

Το Ελληνικό Συνέδριο THE GREEK CONFERENCE

SHERATON RHODES RESORT - IXIA, RHODES, GREECE

17 - 24 September 2011

NEW HORIZONS IN LAW, MEDICINE AND SCIENCE

We will continue to explore and examine contemporary issues and relevant ethical considerations in law, medicine and science and to debate the interaction of medical, scientific and environmental research with community standards and relevant legal, moral and ethical aspects of rights, obligations and roles.

CALL FOR PAPERS

Title

Presenting Author(s)

Institute/Organization

Address

Contact Details

Phone _____ Fax _____

Email _____

- Please attach an abstract of about 250 words, outlining the general nature of the paper and the issues to be addressed and their connection with the Conference theme. Please also outline the format of the presentation and any co-participants.
- Presenters are expected to meet their own costs of attending and participating at The Greek Conference 2011 and should seek support from their own Institution or Organization.
- Collated Papers will be published on CD-Rom and may also be published on the internet.
- Your response to this Call for Papers should be sent to us by 1 September 2010. It is envisaged that the program for The Greek Conference 2011 in Rhodes will be finalized by 1 November 2010.
- Please address any questions relating to this Call for Papers to the Chair of the Papers Committee, at the address set out below.

PLEASE SEND A BROCHURE

Please register my interest for Rhodes 2011 event and forward the Conference Brochure in due course:
